"DONE TO PERFECTION"
Speaking of votes, I cast my vote for this wonderful baking powder. My biscuit and cake are always just right—done to perfection.
The reason is—Princine does not waste its strength in the mixing pan, but waits until it gets into the heat of the oven.
Princine is the purest, surest baking powder you can use.

THERE are thousands of pantries in this country never without a generous supply of Karo. Last year, the housewives of America used over sixty million cans of Karo. If you are one of these you know how popular Karo is with your family; how good it is on cakes, waffles, hot biscuits and bread; how everybody enjoys it.
Perhaps you don't know, though, what a valuable aid Karo is in cooking, and what delicious candies are made with it.
If this is the case, send your name on a post card for our valuable Corn Products Cook Book. It will be sent to you FREE.
